New Fish Tank

We are very pleased to announce that the new fish have arrived and are acclimatising to their new surroundings.

We had been without a fish tank for a few months after our old one sprung an unexpected leak. We are so lucky to have received a fantastic anonymous donation of a brand new tank. We are very grateful.

Mr Tomlinson will introduce decorations and gravel next week. He is very good at looking after them.

We are very happy to have our fishy friends back in school.

Parents Meetings - Feedback

It was lovely to see so many of you at last night's Parents Meetings. I hope you enjoyed hearing about your child's progress. We would welcome any feedback you may have. Please follow the link below to the short survey.

Making Rights Real

 

 Human Rights Day 10th December.

The Universal Declaration of Human Rights (UDHR) is the most translated document in the world and is available in more than 500 languages, including some audio versions. [Click here to listen to the preamble of the UDHR in Urdu!](#) To celebrate Human Rights Day, why not choose an article from the UDHR that is important to you and try to write it out in the languages used by the members of your school community? [اگر آپ اردو میں لکھنا چاہتے ہیں تو یہاں پر کلک کریں](#)

Write a human rights song or create your own school human rights video to celebrate the importance of human rights and children's rights.

What does it mean when we say that rights are universal, unconditional, inherent, indivisible and inalienable? UNICEF UK resource, [ABCDE of Rights](#), might help. Pick one concept to create a poster for display, to share what this means to you as children and young people in your school community.
