Book Amnesty

Please return any reading books you may have found at home. These are very expensive and we would appreciate you having a look around at home for any that may have been put in the wrong place. Please ask your child to give them to their class teacher. Thank you.

Parents at Gate

We are receiving a number of complaints about parental conduct at the school gate. Could we ask all parents to please ensure you are using appropriate language in and around the school. Where you have a problem with another parent we ask that if you must, you approach them in a calm and respectful manner and avoid confrontation especially in front of pupils. Many Thanks for your co-operation on this matter.

Mobile Phones

Reminder that these should be switched off and in school bags when in grounds.

Smart Watches

These should not be receiving calls or texts during the school day. Mobile data should be turned off in order not to disturb lessons.

Parking

Again, another reminder - Please **do not** park in the staff car park.

While this seems convenient it is not where you should be parking to drop off pupils at school. Please park on Footfield Rd, behind the bus stop and walk to the school gate with your child.

Parental Enquiries

We endeavour to attend to parental enquiries as soon as we can. However some days we are unable to get back to you straight away as we could be teaching a class. Please be patient we will return your call as soon as we can. We aim to do this within 48 hrs.

R10 P6 Class Assembly

R10 will be showcasing their assembly for parents and carers on Thursday 12th October at 2.15pm.

We hope you are able to come along and see all the wonderful learning that has been taken place in class.

Kidney Kids Scotland

We are encouraging all pupils to drink water regularly in school, with the help of the kidney kids initiative. Kidney Kids Scotland is a registered charity that promotes pupils drinking responsibly in class. Pupils will be encouraged to drink 1/3 of their water bottle before break, 1/3 before lunch & the last 1/3 before home. Pupils will be supported by teachers to go to the toilet at break & lunchtime. There will be incentives for those who manage to complete the challenge.

Kidney Kids Scotland

Registered in Scotland SC030284

Let's encourage
water drinking
together!!

Drinking water is -

Simple

Healthy

Cheap

Quenching

No calories

Contains no sugars

Doesn't damage teeth

Helps concentration

Improves behaviour

Makes you less tired

Don't like the taste of plain water,
try sparkling water or add a slice
of lemon or lime.

Pupils

Drink 1/3 bottle before break

Drink 1/3 bottle before lunch

Finish Bottle before home

Teachers

Encourage the children
to go the toilet at break
and lunch.
