Rookie Rockstars Workshops & Performance

This was initially booked for Tuesday 5th – 8th March. The company have had to re-schedule this to 28-30 May. The performance will now be on 6th June.

Reminder - Parking

Cars should not be stopping on the ZigZags to let pupils out. This is dangerous and causes obstructions for other traffic trying to get past. There are clear signs in place which are enforceable by NLC and the police. Be considerate to other drivers!

Staff Car Park

The carpark is **NOT** for use to drop pupils off. This causes congestion for everyone and means pupils have to walk through the car park to get to the school gates. Please park safely on Footfield Rd behind the bus stop and walk your child to the gate.

There are a number of adults walking through the car park to arrive at the main entrance. Please, for everyone's safety, use the pedestrian path when arriving at the main entrance!

Robbie's UNCRC Article of the Month January

No discrimination.
Include everyone.

No Discrimination Article 2

EQUALITY

DIVERSITY

INCLUSION

Imagine that you are treated differently and not allowed to go to school, have friends and play because of the colour of your hair. How would you feel? What would you say and do?

Look at the images above illustrating Equality, Diversity and Inclusion. Create a poster showing these images with a written caption explaining what each word means and why Article 2: Non-Discrimination is important.

Enrolment of Infant Beginners

We have been very busy this week meeting our new P1s who will be starting in August. If you haven't yet registered your child please contact the school to do so as soon as possible.

Health & Safety : Jewellery, Earrings & False Nails

In line with health & safety guidance, we must ask that children do not come to school with excessive jewellery on or false nails. Earrings should be removed on PE days and studded earrings that cannot be removed should be covered with plasters for PE days. False nails are not permitted in school at any time as they pose a health & safety risk both in practical lessons and in the playground. Teachers are not permitted to remove earrings for children. Thanks for your co-operation with this.

Free, Friendly & Fun

Sleep Action Workshops

Supporting every child to get a good night's sleep

Sleep problems can be effectively treated using specially adapted behavioural and cognitive techniques. This reduces stress levels for the parents which in turn leads to improved health and quality of care for the whole family. Parents and carers can look after their children better, and make the best decisions about care for their children.

The workshops will help families who are experiencing sleep issues. Families will be able to access appropriate support and advice will be tailored to suit individual needs.

Workshop dates and venues are provided below:

Joe McKay Centre, Liberty Road, Bellshill
10am — 11.30am
