## Mobile Phones

Mobile Phones should not be brought to school. They are not permitted to be used at any time in school or on the premises including the playground.

## Safeguarding & Child Protection

We recognise the rights of pupils and staff to learn in an environment free from disruption; to work somewhere that does not allow unauthorised pictures, audio and/or video recordings to be made of them.

Lawmuir Primary School & North Lanarkshire Council accepts no liability for the loss or damage to mobile phones which are brought into the school or school grounds. It is the responsibility of parents and pupils to ensure mobile phones are properly insured.

Should your child need one for walking home alone then this should be turned off (not on silent) and stay in their bag at all times.

Our full policy can be found on our website.

## Changes to Pick Ups

Please try to advise your child where they should go or who is picking them up in the morning before school. Should this change please let us know as soon as possible and preferably before lunchtime.

Please keep phone calls to the office after this time to a minimum and only in an emergency situation where you will be held up etc. Sometimes we only have one member of staff in the office and it is very difficult to get multiple messages to multiple pupils at the last minute. Thanks for your co-operation.

## Toys in School

Pupils should not bring toys to school. They can cause distractions and can also cause arguments and disagreements.
