Be Safe - Be successful - Be Sensible - Be Smart

Uniform - Crocs

Please do not allow your child to come to school in Crocs or similar type shoes. These are not safe for the school environment, when using the stairs, outdoor learning or when running around at playtime as they increase the risk of trips and falls. We ask that children wear appropriate footwear for school and where possible in a dark colour.

Uniform - Hot Weather

In the hot weather, we understand that pupils would like to be as comfortable as possible. If wearing shorts to school, these should be black or grey and contain as little sports branding as possible. We ask that parents ensure 'hot pants' are not worn to school and are an appropriate length for school.

Make up should also not be worn to school.

Many Thanks for your co-operation.

Stanley Cups

Please do not send your child to school with Stanley Cups or similar type cup. These are large, heavy and take up a lot of space on desks and tables. They are ceramic and may smash when dropped. They are also impractical for school and get in the way of learning. They are not safe to take to the playground.

Please send a normal drinks bottle to school instead of Stanley Cups or equivalent. Thank you for your co-operation.

PEF Consultation

We would like your views. Please complete this short survey to help us prioritise the use of our Pupil Equity Plan
