CHAS Reindeer Run

A huge thank you to everyone who took part in our Reindeer Run in aid of CHAS. Well done to all the children for taking part, some ran a huge number of laps. Thank you also to all our school community for supporting this event so well through sponsorship. This money will be donated to the charity.

We have raised a massive
£2953.40 for CHAS so far.

Road Safety

We all want to keep our children safe, but recent reports of "near misses" at some schools show how important it is to stay careful during drop-off and pick-up times.

Please take a moment to read these important safety reminders:

•Stick to the rules:

- Keep to the speed limit and watch for pedestrians.
- Use only designated parking spaces and avoid "no parking" zones.

•Be alert:

- Avoid distractions like using your phone while driving or walking near the school.
- Keep an eye out for children who may cross the road unexpectedly.

•Set an example:

- Teach your children to use crossings and wait for an adult before stepping onto the road.
- Follow the school's guidance for drop-off and pick-up areas

•Be seen:

- Children often wear dark-coloured coats, which makes it difficult for drivers to see them on misty, rainy mornings or after school when the daylight is fading.

Be seen:

- Children often wear dark-coloured coats, which makes it difficult for drivers to see them on misty, rainy mornings or after school when the daylight is fading.
- We'd encourage everyone, whether walking or cycling, to consider using fluorescent and reflective clothing.
- There are also simple ideas to consider, like adding a bright scarf, gloves or hat if wearing a dark winter coat, a reflective badge or a snap band or using a bright school bag.

We all have our part in preventing accidents and ensuring everyone stays safe during winter.
