Lawmuir Memories

Lawmuir Primary SCHOOL

**Calling all former staff and pupils to
Come and say goodbye!**

As we celebrate our new school opening, we're looking for old photos, memorabilia, and anything related to our school's history. If you have any items we could carefully display, we'd love to borrow them- and we promise to return them.

We ask if all memorabilia can be brought into school by the 1st of May.

Right of the Month

Robbie's UNCRC Article of the Month **February**

Every child has the right to the best possible health.

Article 24

Being physically active can help us to feel and think in a positive way. Watch, and join in with, [this video](#) (see additional lesson info).

Watch this [video](#) then create a list or poster detailing all the people/organisations who you can talk to if you are worried about something. They are the **duty bearers** for your rights. How many people can you think of? Display this around your school to remind the other pupils of who they can talk to if they are feeling worried, sad or anxious.

Reach for the Stars!

- Making goals and taking small steps towards reaching them (see additional lesson info).

How are you? Really?

Healthy Snack

We encourage pupils to bring a healthy snack with them for interval. A piece of fruit, one small packet of crisps or sweet/chocolate is enough for the 15 minute interval. Lots of pupils are struggling to finish their snack in the time or have no time to play.

Please remember Nutella and other Chocolate Spreads, Nut based products are not allowed as we are a Nut Free School. Many Thanks.

Easter Fun

Health & Safety

In line with health & safety guidance, we must ask that children do not come to school with excessive jewellery on or false nails. Earrings should be removed on PE days and studded earrings that cannot be removed should be covered with plasters for PE days.

False nails are not permitted in school at any time as they pose a health & safety risk both in practical lessons and in the playground.

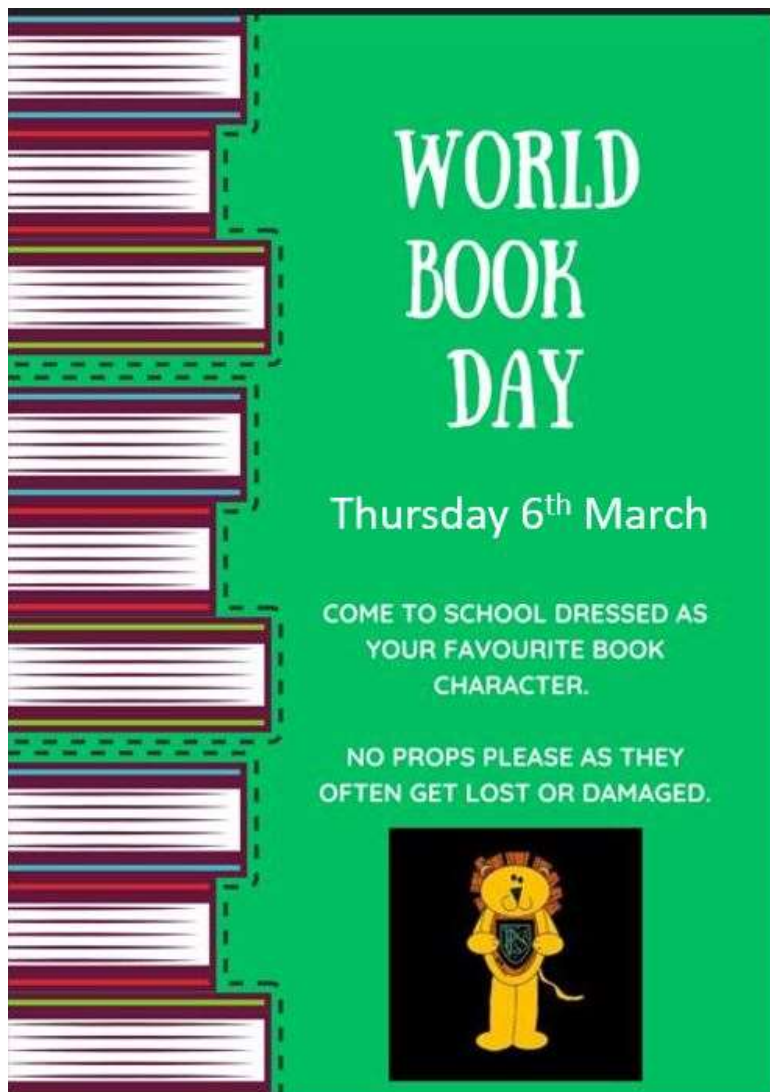

Teachers are not permitted to remove earrings for children.

Not to be worn to school

- *Hoodies
- *Football branded items – team colours, badges, or slogans
- *False or acrylic nails
- *Dangling earrings
- *Crop tops
- *Vest tops
- *Other potentially dangerous jewellery such as loose chains or bracelets
- *Items which carry advertising in particular for alcohol or tobacco
- *other item which could be used to inflict injury to other pupils or to be used by others to do so

Thanks for your co-operation with this.

World Book Day - 6th March

Parking

Parking Around the School

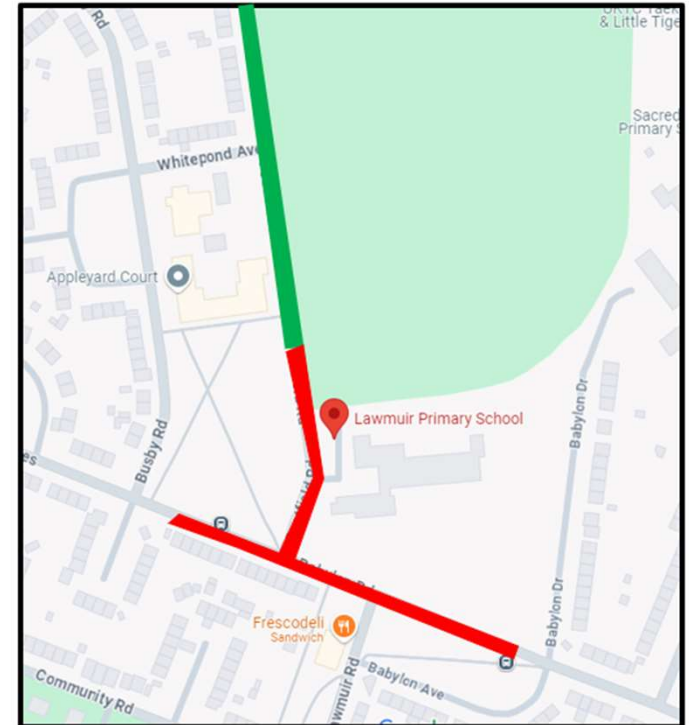

Despite the parking advice being a standing item on the weekly newsletter, we are still receiving concerns about cars outside the school and using the staff car park when dropping off or picking up pupils.

We have also liaised with the builders of the new school to ensure contractors are directed to safe places to park.

We encourage all parents to walk their child to school if at all possible. If you need to use the car make sure you park well away from the school entrance and NEVER on the zigzag lines or near a junction.

We advise:

- If you have to drive your child to and from school, park well away from the school entrance and NEVER on the zigzag markings. (Parking on Zig-zags is a bookable offence)
- Cars should NEVER be parked on the pavement.
- Do not use the staff car park from dropping off or picking up children. Blue Badge users only.
- Do not block driveways of local residents. This impacts them being able to go about their daily lives.
- Walk with your child to and from school and show them how to cross the road safely.
- Please consider other children who are walking to school. Always look out for them.

Please only park on Footfield Road behind the bus stop.

We ask that you do not park on the areas marked in red. These are either ZIGZAGS or on the main bus route.
