Orbiston Community Hub

Retro Rewind Concert - As you know we hope to move to the new Orbiston Community Hub later this year. As part of learning this term, classes will look in more detail at the decade they have chosen and investigate the differences between then and now.

Classes have teamed up to choose a decade and will perform a few songs from that decade at our concert.

As part of our transition to the new building, all classes will be taking part in a Retro Rewind Concert.

Details of how to get tickets will be issued shortly via pupils.

Memory Walk - Many of you have been gathering their memories and sharing memorabilia of their time at Lawmuir, thank you so much to everyone who has shared a photo or memory.

In addition to the concerts planned, there will be an opportunity for members of the public to come in and look around the school. These drop-in sessions will take place week beginning Monday 2nd June 2025. We will send more details soon on how to access these sessions and say goodbye to the old Lawmuir building.
