eScooter Safety

Please see below for a reminder of the recent communication from Chief Officers Education.

We are writing to seek your support and understanding regarding the use of e-scooters in and around our schools.

Schools are busy places, especially at the start and end of each day, and we believe that e-scooters present a safety risk to fellow pupils, pedestrians and other road users.

Furthermore, the use of privately owned e-scooters in public places is currently unlawful in Scotland.

For these reasons, we ask for your cooperation in ensuring that e-scooters are not used by pupils to get to and from school.

Your support in reinforcing this message with your child is greatly appreciated and plays an important role in helping us maintain a safe environment for everyone in and around our school communities.

Thank you for your understanding and continued support.

Parking - Child Safety

Parking outside the school especially at 3pm is of huge concern.

A number of parents picking up pupils are parking fully on the newly widened pavements. This is unacceptable.

Please park away from the school and walk to meet/pick up your children.

Do not park on the zigzags.

We all need to work together in order to prevent an accident from happening.

It is an offence to park/stop/drop off on the zigzags.

Official Opening

Our official opening ceremony for our new community hub will take place on **10th March**.

Reminders

Uniform – Hoodies and other branded jumpers should not be worn to school. If your child does wear one, they will be asked to remove it.

Lollipops – these are not allowed in school. Please do not send for snack or as part of lunch.

Toys – Do not allow children to bring any toys to school. These are not allowed in the playground and can cause conflict between children.

Non-Uniform Days 2026
