Message from HT

We are looking forward to seeing pupils all back at school tomorrow.

Please do not worry if you can't remember which class/playground/ gate you should be in. Teachers will help you once you are in school and help you get to the correct place.

Please be patient and allow everyone the space and time to get to know new rules and routines.

At home time we ask all adults to please help us by waiting back from the gates to allow teachers to dismiss pupils safely. This might take longer than usual on the first few days.

P2 and siblings will be dismissed from the main hall as normal

We appreciate your co-operation.

Pick Up at 3pm

Like last year, **Primary 1 and Primary 2 pupils will be dismissed from the school hall at 3:00pm.**

To support safe and efficient end-of-day arrangements, **siblings of Primary 1 and Primary 2 children will also be dismissed from the school hall** and collected together.

We are excited to welcome everyone back to school and look forward to another successful year of learning
