Playground Skills at Lawmuir PS

Over the past few weeks, classes have been focussing on learning about the skills we need to have a positive playground.

Pupils have been taking part in circle time each day, talking through scenarios and focussing on each of our **5 Steps To A Positive Playtime**.

We are sharing this with parents and carers so you can also discuss these steps at home and reinforce learning at school.

A paper copy will be sent home at the beginning of next week.

THE 5 STEPS TO A POSITIVE PLAYTIME

At Lawmuir PS we want all children to develop social & emotional skills they need to play safely, happily & independently in the playground.

Here are the skills and values pupils have been learning about in class.

We would appreciate you taking some time to share these messages with your young people at home.

1. **Kind Hands** – Keeping hands, feet & object to ourselves.
2. **Kind Words** – Speaking respectfully & including others. Following instructions.
3. **Taking Turns** – waiting, sharing & accepting that we can't always go first.
4. **Solving Problems** – trying simple strategies before seeking adult help.
5. **Getting Help** – knowing when & how to involve an adult
