WIN £300 FOR YOUR SCHOOL
(winning pupil will also receive £50 gift voucher)

Smart Compliance – Lanarkshire’s “most innovative business”, announced at the Lanarkshire Business Excellence Awards 2012, are launching a competition for all pupils in both primary and secondary schools throughout North Lanarkshire.

They are looking for a pupil to create a name for their latest life saving invention – a new generation carbon monoxide/smoke detector that saves lives, time and money.

One person per week in the UK dies from carbon monoxide poisoning and every year there are 55,000 house fires in the UK that kill 700 people.

The device self checks batteries, circuit and sensors and transmits updates weekly via SMS/GPRS to landlords or homeowners.

The closing date for the competition is
12th June 2012.
