**Twitter feed @OrbSHnurseries.**

**Please join us on Twitter to see daily photos of the children's play and learning and of course to share what's going on at home.**

#### Staff Car Park

**Can we please remind all our friends and families that the car park should not be used for drop off and pick up. This is a staff only carpark. Thank you.**

#### **Suncream**

Can we ask you to provide a small sun cream – factor 50 is ideal which will remain in nursery. Please hand this to any staff member who will log the lotion – NLC is a nut free zone so please avoid Nivea cream that may contain nuts. Thanks

#### What should be in a nursery child's bag?

**A full change of clothing – maybe a couple of sets of underwear.**

Please do not leave sun cream, medicine, toys, drinks or other items in the bags.

**Graduation** – we will be celebrating the leaving children's Graduation from nursery on Tuesday **21st June** at 10.30am – doors will open at 10.10am.

**The children will be performing on the main school stage and 2 tickets will be available per family for the short show followed by party in the nursery garden. Children can then remain for lunch and the remainder of their session – afternoon children will leave and return for their session.**

**Graduation Photos** – Angela will be taking photos of all leavers leading up to the graduation and photo packs will be available to buy at the Graduation service.

## Lots of Learning

***Behind the scenes there's so much going on!***

Our current learning is focussed on planting, growing and new life. Lots of the children are now very knowledgeable about the life cycle of plants and things that grow, just ask them!

We have also been learning lots about our community, where we live, our address and have used Google maps to walk along our very own street and had a look at our houses.

ICT has been a major learning focus across both rooms and the children can find information online with the support of adults and share this in their learning journals.

Healthy living has been a massive hit! We have been learning about the foods we eat, the exercise we do and how this effects our body. Lots of checking the heart rate, feeling the burn and energetic outdoor play.

## Learning Story's

We hope to have the next batch of Learning Story's out very soon and feel confident from your feedback that you love the stories as much as we do.

## Nursery Stay and Play

Wow, what a great turn out we had a last month's Stay and Play! We want to thank all families who were able to join us for spending time in the rain and sun and for the fabulous feedback.

## Welcome to our Spring/Summer Newsletter

*Can we begin by thanking all our families for their understanding and support in recent weeks and can we assure you we will continue to do our very best to maintain normal nursery service.*

### Some Staffing News

*We are delighted to welcome Emma Forest a keyworker who will be supporting across the nursery moving to the Dandelions group and Caitlin McMullen as support worker for all children to the nursery team and to offer a fond farewell to Susie Hurst and Cait McGlinchey, I know you will wish them well.*
