

Sacred Heart Primary School

Drop In- Numeracy and Jotters

Parents/ carers are invited into school on **Tuesday 17th January at 9.30am-10.15am** to see the children at work in classrooms, showcasing some activities teachers use to develop numeracy skills. You will also have the opportunity to view your child (rens) jotters and leave a comment in them if you wish.

At the back of each jotter there is a page with guides for parents/carers to check signs and symbols of great learning and to leave a comment.

Can I remind you that this session is for viewing work and Parents' Evening is where discussions with the teacher will take place regarding your child's progress.

Thank you for your support

Mrs. A Harley
