- Narrative: "The Clock Tower"

Watch the video of "The Clock Tower" on the literacy shed:

<https://www.literacyshed.com/the-clock-tower.html>

Synopsis of video: *"A beautiful dancer spends all of her life stuck at the top of the clock tower. She spins on her toes incessantly in order for the clock to work.*

One day she becomes curious about the world outside, especially the balloons that float past her window.

As she steps into the outside world something has changed. All the colour has gone from the world and everything is frozen in time.

The only thing that can bring it to life is our beautiful dancer, powering the clock again."

Task: Write a narrative story based on the video. Think about the descriptive language used to create images of a colourless world in contrast to a bright one.

Before you begin your narrative, jot down some descriptions of a colourless world in comparison to a vivid, bright setting. There are some examples for you.

Colourless	Colourful
desolate landscape, vacant of greenery and sunshine	Lush green grass, filled with bright flowers
