CBeebies Playtime Island

CBeebies Playtime Island contains a wide range of fun and educational games to help children understand the world around them and support the development of core skills. Children can play along with all of CBeebies' most popular characters.

Age: 0-5

Platform: [Apple](#), [Android](#), [Amazon](#)

Kaligo

Kaligo is a digital handwriting exercise book designed to teach children how to write using a stylus and tablet, built on an AI machine learning platform. A self-paced approach enables children to progress at their own speed according to their own ability, whilst AI Machine learning provides real-time corrective feedback.

Age: 3-5

Platform: [Apple](#), [Android](#)

Lingumi - Kids' English

Lingumi provides a course focused on spoken and communicative English. The app provides sets of learning games, speech recognition games and video-based games to help the child grow their grammar and get them speaking their first words.

Age: 2-5

Platform: [Apple](#), [Android](#)

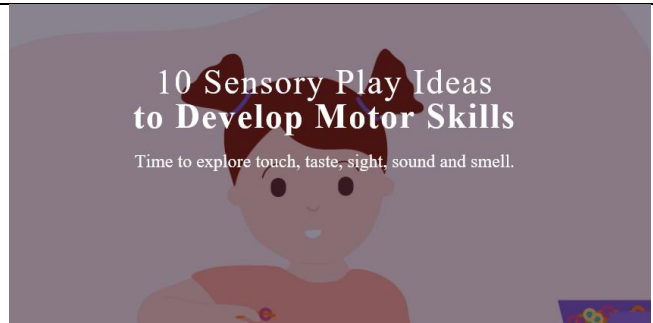

Phonic Street

Available on the app store.
