

Note for Parents

I have attached home learning for the week beginning 20th April 2020.

I hope you and your families are coping, and managing to get out for a daily walk. I still wake up and can't believe what is going on and I'm sure you're the same.

I know it can be difficult to encourage your child to complete their home learning, but they should be able to work independently as they have covered this type of learning in the class. However, I do not want you or your child to be stressed about the learning, if they are finding it difficult please leave the work and get in touch with me gw14reillyrelaine@glow.sch.uk The most important thing I want is for your child to feel happy, loved and secure.

I do realise that some of you are working from home, and it is hard to help your child with the work. There are lots of games on Education City and BBC bitesize that can help them with their learning.

I have below provided a timetable you could use for your child. This is only a suggestion and is not meant to be followed rigorously.

Please get in touch on the above email if you have any questions.

Thinking of you all, Mrs. Reilly

Monday	Mathematics	Stay active	Literacy	Lunch	Topic
Tuesday	Literacy	Stay active	Mathematics	Lunch	RE
Wednesday	Mathematics	Stay active	Literacy	Lunch	Topic
Thursday	Mathematics	Stay active	Literacy	Lunch	ICT
Friday	Mathematics	Stay active	Literacy	Lunch	Expressive Arts Creative time

I have not written any times as it should start and finish at a time that suits you as a family. It should not be a 9-3 day, you and your child can work out the best times.
