

Writing Task

This week for your writing task, I would like you to write a letter to a friend or a relative that you are missing right now. We know that we have to stay at home and cannot see the people we want to, so I would like you to write a letter to them instead and tell them all about what you have been doing the past few weeks. Tell this person how you have been feeling and what you would like to do when we can go back to normal. You should also ask this person some questions too to find out how they are feeling and what they have been doing.

There is a letter template to remind you of the layout for a letter. If you know the person's address, you could send them the letter or post it through their letterbox.
