

## School Shop

L.I. - I am learning to add amounts and find the total.

Item	Price
Writing Pencils	£1.43
Ruler	£0.85
Coloured Pencils	£2.68
Felt Tip Pens	£4.59
Highlighter Pens	£2.47
Scissors	£1.98
Glue Stick	£2.15
Rubber	£0.74
Pencil Case	£5.39
Sharpener	£0.62
Notebook	£2.75

1. Paul went to the shop and bought a ruler, scissors and a notebook. How much did he spend?
2. Amy went to the shop and she got coloured pencils, a pencil case and a sharpener. What was the total of the three items?
3. Noah needed to get writing pencils and a rubber. He went to the shop and bought them. How much did he spend?

4. Emma went to the shop and she got a glue stick and a notebook. What was the total of the items?

Emma paid with a £5 note, how much change did she get?

5. Laura bought coloured pencils, writing pencils and a ruler. How much did they cost altogether?

She paid with a £10 note, how much change did she get?

6. Pick 3 items that would like to buy from the shop.

Work out how much they would cost altogether.

What coins could you use to pay for your items?

7. Choose another 3 items from the school shop that would cost less than £5. How much do they cost altogether? How much change would you get from a £5 note.
