

Identifying Coins

L.I. - I am learning to identify coins that make up different amounts.

In your jotter, draw the coins that can be used to make up the amounts below.

1. £1.27

2. £1.89

3. £2.58

4. £0.96

5. £3.71

6. £2.43

7. £4.35

8. £3.24

9. £1.92

10. £2.69

Only using the coins £1, 20p, 5p and 1p, how can you make these amounts:

11. £1.47

12. £2.71

13. £3.29

14. £1.88
