

The Best Dog In The World Chapters 3 and 4

- This week I would like you to read chapters 3 and 4 of “The Best Dog in the World” to help you complete the following tasks!

Task 1: Visualisation

Create a visualisation of Denzil – you can draw him in your jotter. Remember to use a double page and quotes from your book.

Helpful Hints

- What information do we know about Denzil?
- What does he look like?
- What kind of personality does he have?
- Who cares for him?
- Does he have a forever home yet?

Task 2: Metalinguistics

I would like you to have a look at some of the tricky words I have identified from chapters 3 and 4.

Use your metalinguistics strategies to help you work out their meaning.

I have left two spaces so that you can find two tricky words of your own.

Copy and complete the following table into your jotter:

<u>Word (page number)</u>	<u>Definition</u>	<u>What strategy did you use to help you?</u>
tossed (p24)		
alternative (p24)		
enthusiastic (p26)		
imitation (p27)

Bonus Tasks

- Research a dog breed of your choice and make some notes on their diet, coat and characteristics.
