

Primary 6 Triangles - Maths Wall

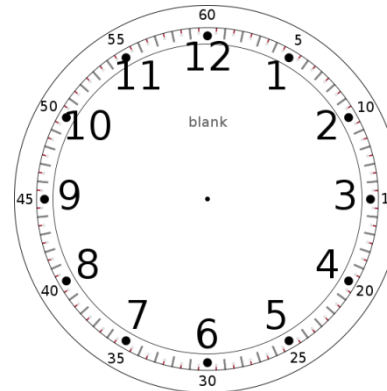

Make your own multiplication flowers.

Make your own fractions wall at home.

Practice drawing the time using a 24 hour clock for challenge.

Have a go at making some 2D Shape snowflakes like the picture below:

Find the factors of different numbers (the numbers which multiply to get it. I.e: $20 = 1 \times 20, 2 \times 10, 4 \times 5$)

Get adults to write you list of numbers and practice rounding them to the nearest hundred.

Have an adult write you a list of calculations with missing numbers (only adding / subtraction) and try to calculate what's missing.

Practice portioning numbers (ie: $5436 =$

- 5 Thousands
- 4 Hundreds
- 3 Tens
- 6 Ones

Create your own patterns a range of different shapes
