(available on Oxford Owl: Age 5-6)

Please try to remember to read your book every night. Remember all the spelling strategies you have learned in class – look at the first and last letter, take your time and sound out the words, look at the picture to help you with tricky words.

Below you will find tasks relating to your reading book. There are four tasks in total. It is a good idea to complete one task per day, and then do letter writing on the fifth day.

Remember if you are unsure of what to do or how to log in, please send an email and I will help you gw14reillyelaine@glow.sch.uk

Task 1

Play **activity 1** at the top of the online book. Listen carefully to the sounds and sort the sounds under the correct heading.

Task 2

Play **activity 2** at the top of the online book. Answer the questions by clicking on the correct answer. Can you get them all correct?

Task 3

Root words. We have been learning in class about root words.

Root Words

Root words are basic words with no **prefix** or **suffix** added to them.

Prefix – letters added to the front of a word.
Suffix – letters added to the end of a word.

When we add a **prefix** or a **suffix** to a word it can change the meaning.

Look at the following words and add the suffix –ed and –ing. The first one has been completed for you.

look	looked	looking
paint		
want		
brush		
shout		
return		

Task 4

Imagine you have received the magic paintbrush. What would you draw with it? Draw a picture in your jotter and write a short description of your picture.
