Please try to remember to read your book every night. Remember all the spelling strategies you have learned in class – look at the first and last letter, take your time and sound out the words, look at the picture to help you with tricky words.

Below you will find tasks relating to your reading book. There are four tasks in total. It is a good idea to complete one task per day, and then do letter writing on the fifth day.

Remember if you are unsure of what to do or how to log in, please send an email and I will help you [gw14reillyelaine@glow.sch.uk](mailto:gw14reillyelaine@glow.sch.uk)

## Task 1

Play **activity 1** at the top of the online book. Put the sentences in correct order.

## Task 2

Play **activity 2** at the top of the online book. We worked on root words last week, look at the word and drag the correct suffix at the end of the word.

**Suffix** – letters added to the end of a word.

## Task 3

We are going to continue looking at root words. For this task, log into **Education City** and complete the game Roots to Winning. Read the words carefully and move them into the target if you can add the ending –ing or –ed.

## Task 4

Answer the following questions in your home learning jotter. Please remember to write in good sentences, and use capital letters and full stops.

1. How do you think the Princess felt when she lost her ball?
2. Where did the ball fall?
3. Why did the frog say he would help the Princess?
4. Who said ‘a promise is a promise’ in the book?

5. Draw a picture of your favourite part of the story.
