

## May – the month of Our Lady

Father Kevin posted the following message on Facebook. It would be lovely if you could draw flowers to go round the statue of Mary, I know Father Kevin would love to receive your drawings.

May – the month of our Lady.

This post is for the young boys and girls of the parish. The month of May is the month we think of Our Lady. And I know that in your classroom in school the teacher usually sets up an altar for Our Lady. And sometimes you draw pictures for the wall beside the statue of Mary. So I'm looking for all of you to draw picture of flowers to go round the statue of Mary in the church. And if you get an adult to send them to me by email or a photograph of the picture and we will put them on Facebook.

Thanks for your help. Fr Kevin
