

Place Value - 5 Digit Numbers

L.I. - I am learning to look at the value of digits in numbers.

Using the numbers below, try to make different 5 digit numbers.

5	1	8	4	9
---	---	---	---	---

1. What is the largest 5 digit number you can make?
2. What is the smallest 5 digit number you can make?
3. Try to make different 5 digit numbers with 4 in the units column.
4. Try to make different 5 digit numbers with the 1 in the hundreds column.
5. How many different 5 digit numbers can you make using all the numbers in different orders?
