

## Place Value - 4 Digit Numbers

L.I. - I am learning to look at the value of digits in numbers.

Using the numbers below, try to make different 4 digit numbers.

5	1	8	4
---	---	---	---

1. What is the largest 4 digit number you can make?
2. What is the smallest 4 digit number you can make?
3. Try to make different 4 digit numbers with 8 in the units column.
4. Try to make different 4 digit numbers with the 1 in the hundreds column.
5. How many different 4 digit numbers can you make using all the numbers in different orders?
