L.I. - I am learning to work out the meaning of new words.

Try to read over these words in the book. Read on, read back or try to replace the words with a different word to work out their meanings. Then check for their actual meanings in a dictionary.

New word	What I think it means	What it actually means
Wearily p25		
dazzled p26		
slumped p27		
trudged p30
