

## Home Learning Mathematics

Week beginning Monday 11<sup>th</sup> May 2020

The following table is only a guide. I realise there are some days it may be difficult to complete the work, please don't worry if you don't just remember to try your very best. Again, I encourage you all to use Education City, it will help you with your revision. This week we are going to revise the days of the week and months of the year.
