

## Origami

Origami is the art of paper folding. Its name comes from the Japanese words 'ori' (folding) and 'kami' (paper). Traditional origami consists of folding a single square sheet of paper into a sculpture without cutting, gluing or taping in.

Some of you like to make 'fortune tellers', that is a form of origami.

The following page has some ideas you could use for creating origami animals.

<https://www.origamiway.com/origami-animals.shtml>

How cute is this one?
