

Espanol - Saludos

Hola Chicos y Chicas!

Let's have a look at Espanol. This week we will focus on Spanish greetings.

There is a task for you to complete on Education City too! You will find the games under My Classwork, Espanol. Hope you enjoy them.

Adios amigos!

Buenos días

Buenas tardes

Buenas noches

Espanol - Saludos

Some of you might remember we used to listen to this song in Primary 3.

The best way to learn a new language, is to use it! I would like you to use what you have learned in Spanish at home. Why not greet other members of your family in Spanish this week!
