

## Purple Group "Great Artists" 2

This week we will be looking closely at some of the artists featured in the e-reader!

### Task 1: Visualisation

Have a look at the information we are given about the famous artist, Claude Monet.

Using information on pages 9-14, create a visualisation on him!

#### Tips:

- Remember to draw his picture and create your visualisation over a double page.
- Include quotes and page numbers from your e-reader.
- What do we know about his life?
- When was he born?
- What kind of art work is he famous for?
- What interesting facts have you learned about his life?

## Task 2: Summary Writing

On pages 15-19 we are given lots of information about another famous artist: Edvard Munch. Using information from these pages, make some bullet points containing facts about his life and work. Decide which facts are most important and write a paragraph summary about him.

## Task 3: Art inspiration

Look up the art work of one of the artists in the e-reader that you are most interested in and make a mind map of the titles of their art with some pictures and information about what might have inspired them! Next week we are going to have a go at creating our own piece of art!
