

Expressive Arts

I was extremely impressed with your outdoor artwork creations last week! They looked fabulous!

This week I have a website for you to visit.

<https://www.tate.org.uk/kids>

There are lots of fun activities to do and you can even create your own masterpiece!

Henri Matisse

If you have time, you could research a new artist, Henri Matisse. Henri Matisse was born in France in 1869 and is well known for his bright and colourful paintings and sculptures. He was the first artist to use paper *collages* as an art form.

Collage – a piece of art made by sticking various different materials such as photographs and pieces of paper onto a backing. is a
