

## Literacy Authors

Hello boys and girls, I cannot believe we are into our last full week in Primary 4. You have all worked really hard with your home learning.

For our reading book this week, you are going to choose your own book! You can either choose a book you are reading at home, or choose one of the books we haven't read yet on Oxford Owl. I have provided a grid for you to choose **one** activity per day. It's completely your choice. **Remember only 4 days as on the fifth day you will complete the writing task.** I hope you enjoy trying something different!

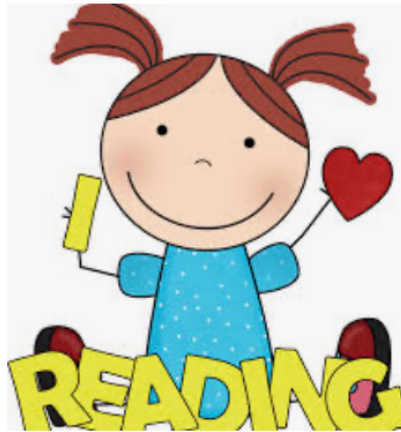

Remember if you are unsure of what to do or how to login, please send an email and I will help you [gw14reillyelaine@glow.sch.uk](mailto:gw14reillyelaine@glow.sch.uk)

### Spelling

Once again, I am so happy to see more of you logging into IDL, thank you.

I have uploaded a selection of activities to Education City, under My Classwork, Authors. Please try your very best to complete them.

As I mentioned earlier, this week you can choose your own book. You can either choose a book from home or choose one from the selection available on Owford Owl.

Choose a task from the table below. *Please remember, I am only expecting you to complete four tasks and complete the writing activity on the fifth day.* Have fun!

Design a new front cover.	Draw a picture of your favourite character and write a short description.	Create your own 5 questions about the book and ask someone to answer them!
Create a different ending.	Write a book review.	Draw a picture of your favourite part of the story.
Write what happened at the beginning, middle and end.	Can you think of a better title for the book?	Act the story out to your family.
