

Paris Adventure

This week you are going to read a new book called Paris Adventure. Log on to Oxford Owl and search for this book. Once you have read the book, you should complete the tasks below.

Task 1

Write a 3-part story of what happens in the book. Remember to start with the beginning, then write about the middle and then what happens at the end. Once you have written your 3-part story, you can draw a picture underneath. Remember to lay it out like this:

B -

M -

E -

Task 2

In the book, the magic key takes the children to Paris for an adventure and they want to look for the Eiffel Tower. I would like you to write a short paragraph about where you would love the magic key to take you. Use your imagination and write a paragraph about where the magic key would take you and what you would do when you were there. You should also draw a picture of your adventure under your paragraph.

Task 3

Look at the sentences below, they are all in the book but they have been put into a different order. Write out the sentences in your jotter and put them into the correct order.

"I wonder if that was Monsieur Eiffel," said Biff.

Ameena had a model of the Eiffel Tower.

The children helped the man pull the cart into a hall.

The children turned the torch upside down.

The children were doing a project on France.

The magic took them back in time.

Task 4

Design a new front cover for your book. You should keep the title on the front cover, but you should consider what might be a better picture. Remember that you should draw an appropriate picture that shows what happens in the book. You could maybe draw the Eiffel Tower, the magic key or the different models in the competition, it is up to you.
