

Literacy

Well, here we are at the last week of Primary 4.

This week for literacy, I would like you to write a letter to your primary 5 teacher. In the letter I would like you to share your goals for primary 5 and what you are looking forward to most of all. It would be nice if you could also include what your favourite things to do at school are and the clubs you attend. You could also share your friendship groups.

You can either write your letter, remember in your very best hand writing, or use word to create your letter.

As this is our last week, please try to complete IDL activities for 15 minutes per day.

If you haven't already done so, please try to complete the activities on Education City for your spelling group.
