

# Talent Show

Boys and girls, I hope you will all join in with our Talent Show!

We will have a Teams meeting on our last day of school, Wednesday 24<sup>th</sup> June. At this meeting you can share a joke, riddle or poem. It's up to you! If you like you can upload a video of a dance, song, football skill or even some magic trick. Upload your video onto the Talent Show Teams page before Wednesday.

I have absolutely loved being your teacher. Each and every one of you contribute towards the fabulous class that you are. I can't wait to see you all again in August!
