

What Are We Learning About

As the children learn the Makaton symbol for 'listen', they will also be learning poems, rhymes and songs and will be learning to recite these. Whilst learning about Scotland and China, the children have shown a great interest in exploring different countries, cultures, and customs. We look forward to exploring this further with the children through a multi-cultural context for learning. Children will have the opportunity to create and describe patterns whilst exploring flags from a variety of countries. They will be given the opportunity to explore and search for information about different countries and their traditions using technology. Children will be then be developing their awareness of how to value others and appreciate their special qualities.

We need your help!

We are looking for donations of recyclable good such as cardboard boxes, kitchen rolls, cereal boxes, tubs and jars to allow children the opportunity to develop their creativity through junk modelling opportunities. Please ensure any resources are cleaned prior to handing these into nursery.

Personal Belongings

As we promote independence we would ask where possible that your child comes to nursery wearing clothing and shoes that they can easily remove and put on e.g., Velcro/slip on shoes. Please ensure that all items of your child's clothing and footwear are clearly labelled with their name so that these items can be easily returned.

Nappy Changing

If your child is currently in nappies, they have their own personal box to store their nappies within our changing area. We would ask that you ensure that your child has an adequate supply of nappies within the nursery for staff to use to change your child. Staff will make you aware of when the supply is running low and requires to be replenished. These should not be stored within your child's bag within the cloakroom area.

Clothing Donations

We are running low on spare clothing within our nursery and would ask that if you have any spare clothes at home that no longer fit your child and are still in good condition could you please donate these to our nursery. In particular we are running low on trousers so any donations would be appreciated. Please give any donations to your child's key worker.

Important Dates/Important Information

February

Monday 13th-Wednesday 15th – Nursery Closed- mid- term break

Proposed Strike Days – Tuesday 28th February, Wednesday 1st March.

There are further proposed strike days which dates have yet to be confirmed but as soon as we are aware of this information these dates will be issued to parents/carers. Should the strike days be cancelled then this information will also be forwarded on to our parents/carers.

Week commencing 27th February and week commencing 6th March, we are looking for parent helpers to join us in a community visit. If you are able to help please speak to your child's key worker. Further details to follow.

Please check our Parents' notice board for information on the up-and-coming week and daily menu.

Home Learning

We are keen to celebrate the success of our children both in nursery and at home. We would ask that if your child celebrates success at home we would ask that you share this with us so that we can celebrate this with their peers within nursery.

Session Times

A reminder that our nursery doors open from 8:45am and children may enter through the nursery door up until 9:15am. If children arrive after this time, then we would ask that you bring your child to the main reception area where a member of our nursery team will collect them. Our session time ends at 2:45pm and would ask that all children are collected by this time. If for any reason you may be running late or be unable to collect your child at this time, we would ask that you contact us to advise of this. Any child who is not collected by 2:45PM will require to be collected from our main reception.
