

### What Are We Learning About

The children are learning about being active and the impact that this has on their body. We are learning how to explore different ways of moving our body rhythmically through discussions about our achievements from extra-curricular groups including dancing, gymnastics, and football. We will be participating in dancing, singing, talent shows and engaging with active experiences. We would love you to share any photographs of your child being active at any of their extra-curricular clubs or at home so that we can share and develop our achievements wall. The photographs will also help us to share real life examples and develop our language when describing the positions and directions as we create dances and engage with yoga and other activities. We will be exploring how to write and mark make as we learn how to hold a pencil and explore a variety of letters and sounds.

### We need your help!

We are looking for donations of some resources such as seeds, soil and plant pots to allow us to do some Spring planting. We would like to thank you for your continued support.

#### Toys

We would ask that you please discourage your child from bringing their own toys into our nursery. This will prevent these items from being lost.

#### Nappies

We would ask that you please ensure that your child's nappy tub is checked and replenished with nappies on a regular basis. If you have any questions, please speak to your child's key worker.

#### Session Times

A reminder that our nursery doors open from 8:45am and children may enter through the nursery door up until 9:15am. If children arrive after this time, then we would ask that you bring your child to the main reception area where a member of our nursery team will collect them. Our session time ends at 2:45pm and would ask that all children are collected by this time. If for any reason you may be running late or be unable to collect your child at this time, we would ask that you contact us to advise of this. Any child who is not collected by 2:45PM will require to be collected from our main reception.
