

Welcome Back!

We are delighted to welcome back our children and families to our nursery and hope that you all had an amazing summer. We would also like to take this opportunity to welcome our new parents/carers to our nursery community.

When entering the nursery cloakroom, we would ask that you assist your child in hanging up their coat and bag on their designated peg. We would then ask that parents/carers direct their children to our nursery toilet to wash their hands prior to entering the nursery playrooms, and then on to their designated room for their group. Please alert your child's keyworker when handing over your child and ensure that you sign the sign in sheet to confirm their attendance. The rooms for the groups are as follows.

Room 1 – **Green Group** – Miss Nisbet

Red Group - Miss McGurk.

Room 2 - **Blue Group** – Mrs McCammon

Purple Group -Ms Parszewska

Yellow Group – Mrs Grant

This term our initial learning focus will be settling our returning children and our new starts. We cannot wait to meet you all! Please keep an eye on our learning wall to keep up to date with some of the exciting things we have planned for the children this term. We will also be continuing with our Rhyme, Story and Makaton sign of the moment which will also be shared with you to allow you the opportunity to practise these at home with your child. We also have our 3 Read Approach, Mindfulness, Yoga and Food for Thought sessions up and running this year. If you would like further information on these please speak to any member of staff for further details.

Personal Learning Plans and Focus Child

Over the next few weeks your child's key worker will be contacting you to discuss how your child has settled into nursery and to discuss any targets that you may wish to set for your child. We can't wait to speak to you. We will also be continuing with our focus child approach. Further information will be issued and discussed with you by your child's key worker regarding this.

Lost and Found

We would also ask that you ensure that all clothing and shoes are labelled with your child's name to help us to easily return any misplaced items. Any items which are left throughout the sessions will be placed in our lost and found box within the nursery cloakroom. Please check this regularly to reclaim any items which may belong to your child.

Accident/Incident Forms

If your child has an accident/incident within the nursery environment, you will be asked to review and sign an accident and incident form by a member of the nursery team. If there is an occasion where your child is collected by another adult such as a childminder, then this form will be placed in your child's bag to be signed and returned to us promptly.

Weather Conditions

Our children are given the opportunity for free flow play both indoors and outdoors. We would ask that you ensure that your child is dressed appropriately for all weather conditions when attending nursery and that spare clothes are provided should your child require to be changed throughout the session. We would also ask that you apply appropriate sun protection to your child prior to bringing them to nursery, thank you!
