

### What Are We Learning About

Throughout the month of December, we will be developing our written literacy skills as we mark make and write Christmas cards and letters to Santa whilst exploring a range of writing tools. We will be developing our knowledge of positional and directional language through following instructions as our focus for maths.

Our health and wellbeing focus will be *respected*. We will be exploring the importance of how to be respectful to others and the importance of being respected.

As our Christmas show is on Friday 13<sup>th</sup> December our children will be further developing their skills in performing to an audience, we hope that you can make it along.

### Christmas Raffle

Our Christmas raffle sales are underway and will be available to purchase each day in the nursery cloakroom. The raffles will be drawn on Monday 16<sup>th</sup> December at our Christmas Party. We have some of our Christmas crafts available for sale.

Our personalised Calendars are £1 each and snowman soup is 50p. If you would like to purchase your child's calendar, please speak to your child's Key Worker.

### Weather Conditions

Now that the colder weather has officially arrived, we would ask that you ensure that your child comes to nursery appropriately dressed for all weathers. As our children are given the opportunity for outdoor play in all weathers, we would ask that you ensure that your child has adequate spare clothing with them should they require to be changed. Hats, scarves, and gloves are also recommended in the colder months.

*We would like to wish all of our children and families a very merry Christmas and best wishes for 2025!*

### Special Achievements.

We are always keen to share the success of our children whether this be in nursery or at home so please let us know if your child has achieved something or there has been a special event at home so that we can share this with their friends and families.
