

Airdrie Academy Bulletin

THURSDAY
9th JANUARY
2020

Canteen

A reminder that the canteen is open before school, at the morning interval and at lunchtime. No pupils should attempt to be served at any other time.

Rag a Bag

Airdrie Academy are taking part in the Rag a Bag textile recycling scheme. This will produce regular fundraising for the school. Please bring men's, ladies or children's clothing, belts, bags and paired shoes (tied together). All items should be put into any securely tied plastic bag and then placed in the bin in the Staff room.

Eco Group

Respect for our Neighbours

Thank you to all pupils who take responsibility for their conduct and their actions seriously, when out at lunchtimes, in the local community. Respecting our neighbours enhances your own personal reputation and also enhances the reputation of our excellent school. Please ensure that when you are in the local community that your choices reflect favorably upon you and our school community. Many thanks.

Mr. Anderson

School Buses

Bus companies have a list of pupils who are permitted to travel to and from school on their assigned buses. If you are not permitted to be on a bus then please do not attempt to travel using school transport. Please also avoid using another bus other than the one that you are meant to use - pupils using school buses are insured for their assigned buses only. Drivers may do spot checks at any time.
