Dear Parents/Carers,

Whilst we await further information from North Lanarkshire Council in relation to the return to school, I am now in a position to allocate classes.

As has been the case in previous years, one year group has been split over two classes. This year it is our new Primary 2 group. If your child is placed in the P2/3 composite class then I will contact you directly to inform you of this, if you do not receive a separate email then your child will remain with the larger group in the P1/2 composite. Children were allocated in each class based on their working groups.

Staffing Changes

Throughout the summer holidays there has been significant staffing changes at Auchinloch Primary. We say goodbye to Miss Bryden and Miss Tosunoglu. Both teachers were allocated Auchinloch on a temporary basis last year and although this change was inevitable it is sad to see them leave. We wish them every success in their new schools.

In positive news, Mrs Turner was appointed to Auchinloch PS on a permanent basis and will now remain as part of our staffing. This year NLC took the decision to relocate Nursery Teachers from Nursery Classes back to schools. I am delighted to announce that Mrs Lang will be remaining at Auchinloch Primary School, just not in our nursery, although keeping her away will be a challenge in itself!

I am also delighted to welcome some new staff. Mrs Julie Hughes has been appointed as Mrs Lang's Job Share partner and Miss Abby Currie has been appointed as Mrs Gillan's Job share partner, both on a permanent basis. Miss Lucy Rutherford will be joining us as a Newly Qualified Teacher and Miss Melissa Shaw will be joining our staff as a result of our school roll being over capacity again.

Before the end of the week you will also receive a staff photo sheet. Since there has been such a change in staffing this should allow children to become familiar and recognise their new teacher especially if they are new to our school.

I am sure you will all join me in giving them a socially distanced warm welcome.
