## Gold Group

Look at the front cover of your first chapter book.

What is the title of your book? You can click on the corner and enlarge it to help you see.

Here are some questions you can ask before you read the book.

Who is the author of the book? There are two names on the front cover. What do you think the other named person has done?

What do you think the story is about? What can help you find out? Does it help you?

Can you guess what kind of disgusting things Denzil might do?

Why is he green?

and read chapter 1 of the story.

For your written task today you will need a piece of paper, a writing pencil and some colouring pencils or pens.

**Task 1** Do you like the illustration on the front cover?

Talk about what you like or maybe don't!

I would like you to create an illustration showing the front cover for a book of things you find disgusting.

Put yourself or someone you know as the main character and annotate it or illustrate it with things that you personally think are disgusting. Choose as many as you want but no less than 6!

**Task 2** I would like you to write a few sentences to create your own blurb based on the first chapter.

You will need to pick out the main points of the chapter. What can you write to make someone want to read chapter 2?

You can write it on the back of your illustration or underneath it.

Use the book to help with your spelling.

Remember capital letters and full stops.

Have fun
