

## **Information about Zoning of the school**

**05/08/2020**

Good evening everyone,

Sorry for all of the emails but I want to keep you updated to ensure next week runs as smoothly as possible for the children after everything they have been through.

Please be advised we are still running a Zone system and only children are permitted on the school site. In addition, can I please remind our families that no vehicles should enter the school grounds unless you are a disabled badge holder and have contacted the school in advance to arrange this.

Zoning:

RED - SENIOR PLAYGROUND - Main Gates

GREEN - JUNIOR PLAYGROUND - Main Gates

YELLOW - INFANT PLAYGROUND - Infant Gates

Children using school transport should exit the bus and make their way to the appropriate zone in preparation to enter the school from their class line. There are coloured arrows on the ground to direct children to zones.

Children arriving from before and school care services should be under the supervision of the service until the school bell rings. Children should make their way to the appropriate zone and join their class line in preparation for entering the school building using the allocated door.

School staff will be on site to support children with these arrangements in the first week.
