

Email Message – 05.08.2020

Dear Parents/Carers,

Please find attached updated information to support our children in returning to school. Please take time to read over the information which should help answering questions you may have. Some information has been updated which will alter some information previously provided (e.g.) use of lunch boxes.

Emails issued prior to the returning to school next week will also be uploaded on the school's website for reference.

Thank you for your time,

Miss McCarthy
