### **Control of substances hazardous to health**

- All medication is stored either in the staff room fridge, if required, locked unit in the Support Staff office within the school or in the cupboard in the playroom or nursery staff room fridge if required.
- Toxic substances such as cleaning materials are stored out of reach of the children or in a locked cupboard.
- Staff or visitors handbags containing personal medication or potentially hazardous substances (i.e. hairspray, deodorant and perfume) must be kept in a cupboard in the staffroom during nursery sessions and out of reach of children in the school.
- All paints and crayons that are used in the nursery and school are non-toxic.
- All items are ordered through NLC authorised suppliers.
