# VIRTUAL SCHOOL

## SUPPORTING OUR CARE EXPERIENCED LEARNERS

### INFORMATION FOR CHILDREN, YOUNG PEOPLE AND THEIR FAMILIES

# North Lanarkshire Virtual School

## Information for Children, Young People and their Families

Scotland's ambition for its children and young people is that *"they grow up loved, safe, and respected so that they realise their full potential"* - The Promise

This vision is shared by North Lanarkshire Council

### What is the Virtual School?

The Virtual School is a small team, created to deliver an intensive service to care experienced children and young people who may need extra support within education.

Children and young people linked with the Virtual School remain the responsibility of the school which they are registered at.

The Virtual School works together with young people, their families and a variety of partners including teachers and social workers as part of a multi-agency team. Requests for support to Virtual School are usually made by the Named Person or Lead Professional as part of the robust planning process for a child or young person.

Examples of supports Virtual School provide;

- Advice on questions about education services for care experienced pupils
- Advice/signposting to relevant support services
- Advice/guidance/support with enrolment in a new school
- Planning for transition between schools
- Support with education planning and delivery for children or young people who may require some extra help
- Championing the educational needs of care experienced children and young people across North Lanarkshire and those living or attending schools in other authorities
- Advice/guidance/planning support for post school leaver destinations
