### **A PLACE OF ENTHUSIASTIC LEARNING AND ACHIEVEMENT**

**Welcome parents and carers to Primary 4's newsletter for Term 3.**

We would like to take this opportunity to wish you all a Happy New Year and welcome your child back to school after a well-earned winter break. We hope you had a lovely Christmas and enjoyed time with family and friends. It has been positive to see the children come back refreshed and excited for what 2025 is going to bring. The children have all worked hard so far and we hope that we can continue to support them in their learning journey. We are looking forward to working in collaboration with you again this term. Please find useful information below about what the key focusses of term 3 will be.

**Homework:**

At the start of every month a grid will be uploaded with a variety of homework activities, these tasks are optional and will not be marked by the class teacher. The main emphasis of homework is reading. Each child should complete a minimum of 20 minutes reading per night which will support reading activities in school. Please note that Novel Studies cannot go home with the children, but all are welcome to pick a book from our class library and take this home to read.

**Class Charter:**

As a Rights Respecting School and as a School of Character, our classes have determined and agreed upon their own Class Charter to ensure everyone's rights are being met and to encourage a positive and productive learning environment. Our Positive Relationships and Behaviour policy has been devised to reflect the views of all stakeholders and ensure our school values are reflected in all aspects of school life.
