## RATIONALE

Education Scotland state -

"In schools and early learning and childcare (ELC) settings, learner participation is core to a good education. As part of all educational experience, it is young people's right to have a say in matters that affect them."

Our pupil voice groups create targets that the groups take forward through their work as part of a Pupil Voice group. The children, overseen by the adult responsible for that area, include how they will measure the success in achieving the improvement targets set and identify any resources needed.

To ensure that children are given opportunities to share their views and opinions on school improvement, we have recognised the need for a Pupil Improvement Plan that incorporates the views and opinions of our children but also allows them to have an active role within delivering improvement in Balmalloch Primary School & Nursery Class.

## PUPIL VOICE

Our Pupil Voice groups within Balmalloch Primary School and Nursery are -

- Pupil Council
- Rights Respecting Schools Committee
  - Digital Leaders
  - Young STEM Leaders
  - Eco Committee
  - Sports Committee
- Reading Schools Committee
- Health and Wellbeing Committee
  - DYW Committee
  - Fairtrade Committee
- British Council Partnership Schools Committee
  - Pupil Representatives

These groups also involve children from Primary 1-7.

We also introduced School Captains, Vice-Captains and Prefects known as our Pupil Representatives during the session 2019/20 to further support Pupil Voice, making a difference to learners' experiences and opportunities for achievement.

## PARENTS/CARERS

### Education Scotland

#### Engaging Parents and Families

##### A Toolkit for Practitioners – School Improvement Planning

'Parents have their own perspectives on school education and what can be done to improve standards and quality. Schools should foster a positive and open ethos which encourages parents to share these perspectives'. (Scottish Schools (Parental Involvement) Act Guidance, 2006.

#### Reflective Statements:

The School Improvement Plan has a strategic focus with simplified, clear, streamlined, prioritised approaches along with realistic and achievable timescales that lead to improved outcomes for learners.

A range of evidence is used to identify priorities for improvement.

Parents and the school community are involved in reviewing progress and identifying priorities as part of the School Improvement Planning process and cycle.

### School improvement planning

Has the School Improvement Plan been communicated to the wider parent forum, school community, children and young people, staff and partners?

Has a process been set up to regularly review progress of the School Improvement Plan with stakeholders and discuss/measure the impact on outcomes?

Is the Standards and Quality report prepared annually for parents to communicate progress on the School Improvement Plan and identify key strengths and areas for improvement?

Have you ensured that school improvement and reporting documents are in plain English, easily understandable and in 'parent-friendly' language?

#### Involving Parents/Carers

- \* Vision/Aims/Rationale
- \* Improvement Planning and Self-Evaluation
- \* Reviewing Policies
- \* Enhanced Curriculum (e.g.) Volunteers
- \* Short-Life Working Groups (e.g.) Poverty Proofing
- \* Developing the Young Workforce

## Leadership of Change & Leadership of Learning

### What is School Improvement Planning?

School Improvement Planning is a process by which members of the school community conducts a thorough evaluation of their school's educational programming in the previous school year/s and the development of a written school plan that:

- Establishes the starting point for ongoing evaluation of efforts
- Unifies independently organised school improvement efforts from various areas of the total school programme into a single, focused process.

### Partners in Planning for Improvement

- Start small - the most effective programmes come when adaptations can be made freely. Pupils and parents/carers need time to get used to the formality of the meetings and what is expected of them.
- High quality discussions around school improvement planning are vital.
- Regular meetings allow for more flexibility.
- Keep staff, pupils, parents and partners updated with any progress.

### In Partnership with ...

- Staff
- Pupils
- Parents
- Community

### Improvement questions

- How do your pupils help to shape and evaluate your school improvement plan?
- How well do you engage parents and partners in identifying/evaluating school priorities?

### Taking Account of...

- National Improvement Framework for Scottish Education
- How Good Is Our School?, How Good Is Our School - Learners?, How Good Is Our Early Learning and Childcare?
- The Scottish Attainment Challenge
